## **The Unforgettable Fire – UF2 to bring Live U2 Concert Experience to Tropicana**

*Grand Exhibition Center will Rattle and Hum with the songs of U2 September 10*

**ATLANTIC CITY, NJ (July 25, 2011)** – Even better than the real thing? Tropicana Casino & Resort invites you to be the judge as U2 tribute band “The Unforgettable Fire – UF2,” *The World’s Most Dangerous U2 Tribute Band* and opening acoustical special guest, Cailin Callahan, light up the Grand Exhibition Center starting at 8 p.m. on Saturday, September 10, 2011.

The Unforgettable Fire, or "UF2", was born on New Year’s Day in 1995 as one of the very first U2 tribute bands to ever perform in America. After more than sixteen years of playing in some of the most prestigious venues on the East Coast, UF2 has formed a reputation among many to be one of the closest experiences to being at an actual live U2 show.

“If you missed the live U2 Tour this summer, you can still enjoy the experience of their music through The Unforgettable Fire’s authentic sound and stage presence,” commented Tony Rodio, President and CEO of Tropicana Atlantic City.

The members of UF2 are dedicated fans of U2, and will not settle for anything less than complete authenticity. In addition to performing a very impressive array of U2 material from pre-*Boy* to the most recent *No Line On the Horizon*, the band does everything in their power -- from wardrobe to lighting -- to recreate the live U2 concert setting for their audiences.

This event is standing room only with no seating. Tickets are \$20 in advance and \$25 at the door. Tickets go on sale Wednesday, July 27, 2011, 12 noon at the Tropicana Box Office or through Ticketmaster at [www.ticketmaster.com](http://www.ticketmaster.com) or by phone at 1-800-745-3000.
