## **THE QUARTER AT TROPICANA IN ATLANTIC CITY** **FEATURES 8 WORLD CLASS RESTAURANTS**

**ATLANTIC CITY, NJ – Tropicana Casino and Resort** offers guests eight the nation’s hottest restaurant concepts in **The Quarter**, its incredible, non-gaming expansion project. In addition to offering guests an unprecedented selection of world-class dining options, The Quarter, which brings to life the exotic splendor of Old Havana in a life-like, three-story streetscape, is home to a stunning array of red-hot entertainment and nightlife venues, chic and cultured retail and the most lavish and luxuriant spa facility in Atlantic City.

“We’re incredibly excited about the many outstanding restaurants that The Quarter offers under one roof,” said **Mark Giannantonio**, president and chief executive officer of Tropicana Casino and Resort. “This is truly a first for Atlantic City. Within The Quarter we offer guests eight of the nation’s greatest restaurants.”

The nationally renowned restaurants at The Quarter are:

**Cuba Libre Restaurant & Rum Bar**, the second location of this popular Philadelphia restaurant, features a spectacular 12,000 square foot space that envelops guests in the essence of 1950s Cuba with soaring 36-foot high ceilings and two story three-dimensional facades, creating a living panorama of Old Havana. The restaurant serves authentic Cuban specialties, as well as soul-satisfying creative interpretations of Afro-Caribbean dishes. The bar features more than 70 different premium varieties of rum, which guests can explore either neat or in any number of refreshing island cocktails. A cigar lounge, adjacent to the bar, offers the finest cigars available this side of Havana. On weekend nights, the restaurant plays host to sultry salsa dancing and dazzling floorshows.

**Red Square**, famed restaurateur **Jeffrey Chodorow’s** vodka and caviar bar and restaurant, recreates centuries of Russian history, from the Czars and Bolsheviks, to Communists, Perestroika and beyond, at The Quarter. private dining nooks in which guests are cocooned in tents of burnt-red velvet fabric. Guests can borrow a sable coat and enter a large, walk-in freezer, where more than 100 premium vodkas are served at 30 degrees below zero.

**Carmine's**, the first location of this New York City family-style Italian institution outside of the Big Apple, features a comfortable, familiar atmosphere with warm colored walls covered with family photos, high ceilings and antique chandeliers. Scrumptious Southern Italian appetizers, entrees and desserts are prepared from the freshest quality ingredients and served in heaping portions large enough for two. The bar features an extensive list of premium wines, including private labels, and as with the food portions, Carmine's cocktails are very generous.

**Ri Ra Irish Pub**, uses salvaged materials, re-claimed, re-assembled and imported from the Emerald Isle to recreate a fully unadulterated, authentic Irish pub experience. Meticulously constructed from remnants of notable tap rooms, including the historic Henry Grattan Pub, guests experience the spirit of Dublin when they step into Ri Ra to enjoy a pint of perfectly poured Guinness and a touch of blarney. An exceptional menu of classic pub fare and modern interpretations of classic Irish dishes are served.

Fresh, contemporary and consistently outstanding, **P.F. Chang's China Bistro** attains harmony between taste, texture, color and aroma with each dish served. Guests can savor traditional Chinese cuisine, with innovative contemporary creations that demonstrate modern influences on the modern Asian palette. Using only the freshest, highest quality ingredients, P.F. Chang's practiced chefs create delicate dishes that allow the natural flavors to emerge and stimulate the senses. An extensive wine list, designed as a "flavor first" list, feature more than 50 wines available by the glass and bottle.

The **Palm Restaurant**, the original "place to see and be seen," has kept the world's greatest party going strong for three decades, and now the American institution is bringing that party to The Quarter. Known the world over for its award-winning aged prime beef, monstrous Nova Scotia lobsters and exquisitely prepared American and Italian dishes, guests can expect superior meals, fine-tuned cocktails and more than 75 years of top-notch hospitality experience.

**A Dam Good Sports Bar** offers guests an affordable "American-style" menu in a casual setting. With 15 televisions, including two 110" projections screens and the only billiards room in an Atlantic City casino, Wilson's, there is always a game to be had. A Dam Good Sports Bar is located on the third floor of The Quarter and seats 229.
