The Tropicana goes Caribbean with the grand opening of Palm Cove premium slots

The Temptations to host official ribbon cutting September 20

ATLANTIC CITY, NJ (September 17, 2008) – Thrill-seeking slot fans have a new reason to stroll Tropicana's sleek Palm Walk, located in the resort's South Tower. The casino officially unveils Palm Cove, a Caribbean-infused high limit slot parlor, with the help of The Temptations on Saturday, September 20 at 4:30 p.m.

More than 60 popular machines will grace the sultry island themed environment including \$5 Wheel of Fortune, \$1 Video Roulette, Super Times Pay Poker, Triple Player Poker Dollar Link, Double Gold, Game of Life, Deal or No Deal and 3-Reel Dollar.

In keeping with the upscale tropical theme, Palm Cove will cater to premium players' needs with a dedicated slot attendant, security guard, and a hospitality suite featuring food and beverage services. Additionally, Palm Cove will feature a separate smoking lounge, beginning October 15, for guests of Palm Cove only.

"We're thrilled to introduce players to the tropical oasis that is Palm Cove. Combined with the popularity of our recently launched Havana Rooftop Slots, and Tropicana is now the singular destination for unique themed slot environments in the city," said Mark Giannantonio, President and COO of Tropicana Casino.

"Every decision we make is based on keeping the gaming experience fresh and fun for all the players that walk through our doors," said Giannantonio. "And Palm Cove is the perfect example of this fusion."

The official ribbon cutting ceremony will take place at 4:30 p.m. on Saturday, September 20, 2008. Motown legends, The Temptations, will be on hand to officiate the ribbon cutting event. The Temptations will also perform in the Tropicana Showroom September 19 – 21, 2008.
